

TERRY'S COMICS

Welcome to Catalog number twenty-three. Thank you to everyone who ordered from one or more of our previous catalogs and especially Gold and Platinum customers. Please be patient when you call if we are not here, we promise to get back to you as soon as possible. Our normal hours are Monday through Friday 8:00AM-4:00PM Pacific Time. You can always send e-mail requests and we will reply as soon as we are able. All comics that are stickered below \$10 have been omitted as well as paperbacks, Digests, Posters and Artwork and Magazines. I also removed the mid-grade/priced issue if there were more than two copies, if you don't see a middle grade of an issue number, just ask for it. They are available on the regular web-site www.terryscomics.com. If you are looking for non-key comics from the 1980's to present, please send us your want list as we have most every issue from the past 35 years in our warehouse.

Over the past years we have purchased several nice collections. One of the more interesting collections were the British Collection from a Dealer in England, it included a near full Pre-code Horror/Sci-Fi selection, we purchased it with Jamie Newbold of SoCal Comics. The other was a very nice group of mostly DC Gold/Silver age comics that had many the Keys in above average condition, we purchased this collection with Ken Hunt of the Bunky Brothers. We also finally finished purchasing the Jerome Wenker Collection. What was left of this collection was split up with Jamie Graham of Graham Crackers Comics buying us out of the majority of what was left. We continue to exhibit at many shows and buy many collections. We continue to look for Silver/Bronze age keys as we need to have lots of them to continue doing so many conventions. We are also seeking collections of mid to lower grade Golden age and we are always looking for Timely/Atlas comics. This catalog will be created in two versions: the paper version and an e-catalog that is downloadable from our website in PDF format. I will continue to produce a paper version of the catalog for those of you that do not have e-mail or computers. *Yes, there are still some people that don't have computers or know how to do e-mail.* Every year we produce *less* paper catalogs due to the very high expense. My website currently has what is left from Catalog #22 Check it out at www.terryscomics.com my current e-mail address is info@terrysterryscomics.com

Jason handles the majority of phone and e-mail orders as well as most E-Bay sales. He can be contacted directly at: Jason@CalComicCon.com He will give you the personal service that Terry's Comics has always strived to offer. If you need to talk to Terry for a specific reason just leave a message with Jason and Terry will get back to you soon.

Pricing for the catalog was done primarily from the 2019 Overstreet Price Guide, which is consistent at reflecting market prices on most vintage material. Some prices are based on market changes that have occurred since the OPG has been out and may be higher. We also use the web-site GPA Analysis for CGC and other graded book pricing. Other prices are based on recent sales, scarcity or desirability, which the OPG does not consider. Included in this catalog are some CGC, CBCS and PGX books that are priced higher than un-slabbed books of equal grade to reflect the extra time and expense, as well as the risk, to have them third-party graded.
